Geneva Polini

Laboratory Integrated Delivery System (LIDS)

- Currently On-line: (13 Suppliers)
 - Fisher Scientific: 55,670 items
 - GSS: 323,518 items
 - Thomas Scientific: 71,408 items
 - A. Daigger & Company: 17,681 items
 - Allegiance Healthcare: 15, 669 items
 - Remel: 13,170
 - Sigma-Aldrich Research: 166, 432 items
 - Spectrum Lab Products: 35, 291
 - BVA Scientific: 5, 579
 - Biopool International: 112 items
 - District Healthcare: 425 items
 - Infolab, Inc.: 9,128 items
 - Medical Place, Inc. 1, 095

Laboratory Product Standardization

- We have tested Partial Fills with a Region 6 Customer and Fisher Scientific. The test has been very successful
- We are in the process of implementing the CARDINAL Classification system for Lab items:
 - Product Category Search Capability
 - Lead to Product Name Standardization
